**MY DATA**

**I found prey at:**

	Type of prey	Location in Room
1 <sup>st</sup> prey		
2 <sup>nd</sup> prey		
3 <sup>rd</sup> prey		
4 <sup>th</sup> prey		
5 <sup>th</sup> prey		
6 <sup>th</sup> prey		
7 <sup>th</sup> prey		
8 <sup>th</sup> prey		

**What I Ate** — (*my data summary*)

Possible Prey Species	Total of each prey I "ate"
Snakes	
Frogs	
Mice	
Fish	
Insects	
Rabbits	

Examine the "Predator's Survival Guide" under the **GAME RULES** (SEE BACK OF PAGE). Did you find enough prey to survive? \_\_\_\_\_

Did other predators "like you" (your same species) find more or fewer prey than you did? \_\_\_\_\_
